ABOUT THE CONFERENCE

To develop the value and significance of rising technologies by bringing Academicians, Research Scholars and Delegates from industry thereby enabling them to come with inventive concepts and ideas in their fields.

ABOUT THE DEPARTMENT

The Department of Electronics and Communication Engineering was established in the year 1984. Since then the department has come a long way and is now regarded as one of the premiere departments of the institution with an intake of 300 undergraduate students and 61 post graduate students per year. The Department is recognized as Research Centre by Anna University, Chennai. The department has eight recognized research guides under Anna University, Chennai. 21 research scholars obtained their doctoral degree from the department. The excellent placement record which has been consistently above 85 % for the past several years, alone of our students is ample testimony to the emphasis that has been placed on the industrial needs of our country. Our students got placed in companies like Tata Consultancy Services, Cognizant Technology Solutions, WIPRO Technologies, Infosys Technologies, etc. The Department has been accredited by the National Board of Accreditation (NBA) for the period of 5 years effect from 2006.

ABOUT THE INSTITUTION

PSNACET is a leading Institution in Tamilnadu with International standards. It was established in 1984 at the outskirts of Dindigul township as a response to the clarion call made by the public for a quality engineering institution in this part of South Tamilnadu. This prestigious institution, at present, offers 7 UG courses and 8 PG courses in Engineering and also MCA and MBA.PSNACET went for accreditation in 2003 and got all its UG courses accredited for a period of 3 years. Since then, our institution made rapid strides in academic performance, infrastructure development, employability of its graduates, staff welfare, strengthening its industry institution interaction, and research and extension work. The NBA, New Delhi has accredited the following departments ECE, EEE,CSE,IT,BME for five years, MCA for three years and CIVIL,MECH for two years-the highest recognition that NBA awards to the standard, quality Engineering Institution. Now PSNA College of Engineering & Technology is given the Bharatiya Vidya Bhavan National Award for an Engineering College having Best overall performance for the year 2007, at the National level

PREAMBLE

The conference brings together the community of researchers & industry to discuss latest advancements, trends & emerging technologies in the areas of Electronics, Computers, Communications and Controls. Papers reflecting original research or novel designs/applications are invited in, **but not limited to, the following areas:**

- ✓ Image Processing
- ✓ Antenna design and Simulation
- ✓ Biomedical Instrumentation
- ✓ VLSI Design
- ✓ Embedded Systems
- ✓ Wireless Networks & Communication
- ✓ Neural networks & Genetic Algorithms
- ✓ Recent developments in control systems
- ✓ Power Electronics and Drives
- ✓ Soft Computing
- ✓ PLC & SCADA based instrumentation systems
- ✓ Microsensors and micro actuators
- ✓ Fault detection and diagnosis
- ✓ Process control instrumentation
- ✓ Telemetry and Telemedicine Systems
